Assistant Director for Operations

9 June 1952

Chief, Foreign Documents Division

FDD Monthly Progress Report - May 1952

1. The transmittal of unclassified translation work was further streamlined to more expeditiously serve the requesting offices. Checking of completed translations before transmittal to requesters has been eliminated.

2. A survey of FDD's Service of Requirements, as suggested by OIC, was completed 26 May 1952.

3. A survey of the DEX/CTS operation was completed and tentative plans were drawn for possible expansion of this service.

4. Mr. Robert Amory, Jr., Assistant Director for Research and Reports visited FDD on 19 May 1952 for a briefing of the Division's operations.

5. FDD participated in CIA briefing by OPC on a new project. Briefing showed that FDD could materially assist in preparation for this operation.

6. Commendations

Written commendation was received from Medical Division/SI for FDD's reports on hog cholera.

Telephone commendation was received from OCI for a report concerning a Bulgarian decree.

Written appreciation was received from ONI for service rendered.

Telephonic commendation was received from communications branch/RR for a report on radio equipment in Poland and Bulgaria.

12. Diaries of Japanese PW's formerly interned in the USSR were screened at the request of OSO for information concerning the mistreatment of civilian forced laborers in the USSR. The screening of these documents will be maintained on a continuing basis until the supply of diaries is exhausted. The information sought will be used to support United Nations charges against the USSR. OSO also sought information in FDD concerning Reuters News Agency activities in colonial areas in regard to their reports of racial disturbances in the United States.

13. Japanese General Staff maps still in FDD possession are being screened at the request of the Air Force to determine whether airfields indicated on these maps as located in the Eastern USSR are those airfields of interest to the Air Force.
